Dear Mr. Huntington:-

On behalf of the American Numismatic Society permit me to express our appreciation for your gift, transmitted by Mr. Archer M. Huntington, of the State of Massachusetts Bay Note dated 1783. It is an unusually fine condition and is an addition to our collection which we are very glad to have. I trust some time to have the the pleasure of welcoming you at our Museum, of showing you the growth we have made in the past two years, and of thanking you personally for your gift.

Very respectfully yours,

Secretary.
